

Annapolis, Maryland February 1-5, 2016

North American Duck Symposium and Workshop

Ecology and Integrated Management of Waterfowl

NADS, Inc. is an international non-profit 501(c)(3) scientific and educational association dedicated to excellence in waterfowl science and education. The mission of the NADS is to advance the art and science of waterfowl conservation, management, education and research by providing a regularly held forum for the presentation and discussion of information relating to waterfowl. The 7th North American Duck Symposium and Workshop delegates include academics, government and non-governmental biologists, consultants, and professionals from around the world and provide an excellent forum to showcase student research on the ecology, management, and conservation of waterfowl and wetlands.

For more information, please visit the **NADS 7 website**: www.northamericanducksymposium.org

Partner & Sponsorship Opportunities

We are committed to keeping registration fees reasonable to enable maximum student attendance and participation; we request financial support to defray costs of the student awards/travel scholarships, hotel, field trips, cuisine/reception, and publication of proceedings.
